Pico Fireplace

About the application

This application turns your phone into a virtual fireplace.

If you find any errors please report to: support@picobrothers.com

Using the application

Simply start the application and the fire starts. To stop the fire press the X in the lower right corner and the application exits.

The application is intended for landscape mode so turn your phone to the side and enjoy the fire.

To grill a sausage press somewhere on the left side of the screen and a sausage will be placed there. To take the sausage away, touch on it and then press on "TAKE IT" button that appears.
